Required or Elective?	Course Name	Pre-req?	Notes	Date	Day	Time	Instructor	Duration	Location
	<p>Other Notes:</p> <p>Other safety classes can be scheduled at contractors' request.</p> <p>No shows will be charged a \$25 missed class fee unless you <u>call and cancel</u> at least 24 hours before start time. At the end of the contract year, the money collected is awarded to those apprentices who had perfect attendance at training classes during the contract year.</p> <p>Boom Lift/Scissor Lift and Fork Lift classes are offered through Sunbelt Rentals. If you are interested, complete the class registration form and write "Boom Lift" or "Fork Lift" as the name of the class. We will mail you a voucher good for one class at Sunbelt. You will contact Sunbelt for scheduling.</p> <p>Instructions for Respirator Medical and Respirator Fit Testing are on the back of the Class Registration Form. Info also available online at www.paintertraining.org. There is a new procedure for Respirator Medical: You must request a voucher to take with you to Providence.</p> <p>IF LESS THAN TEN PEOPLE PRE-REGISTER FOR A CLASS IT WILL BE CANCELLED. THOSE WHO PRE-REGISTERED WILL BE CONTACTED AND NOTIFIED BY PHONE. WALK-INS SHOULD CALL AHEAD AND ASK IF THE CLASS IS STILL ON.</p> <p>The PUMP Committee ruled that retaking any of the required safety training classes (except for OSHA 10) will NOT be credited toward the needed elective class hours for the Bonus Award. The Committee decided that unless the safety class <u>is a requirement for a specific job</u> additional required safety class hours will not be credited. The needed class must be requested by the contractor before the Committee would approve credit for duplicate Safety Training. Exception: OSHA 10 may be retaken, and elective credit will be given, but not more than once per year.</p> <p><u>IN CASES OF EXTREME WEATHER:</u> The Training Center will be closed and no classes will be held when the community colleges have announced they are closed due to weather. Listen or check online for school closure information from PCC, Mt. Hood Community or Clark College.</p>
